You can order your stand online!
www.meplan.com

We hereby order - on behalf and by order of the aforementioned exhibitor - the Rental Stand System ECONOMY at the basic rate of EUR 89.25/m² plus statutory VAT

The rental price applies to a stand of at least 15 m² in surface area (15% surcharge for smaller stands) and includes the assembly and dismantling of all the parts supplied, carpeting and those furnishings supplied as standard. Exact details of the equipment supplied as standard are shown on the overview on Page 2 of Form 2.0.

Stand areas of 30 m² and more qualify for a price discount. The current price can be obtained using Meplan's stand configurator at www.meplan.com. Otherwise, just give us a call, we would be pleased to help.

Please note: The electrical and water connections are not included in the stand price (nor is the electricity or water consumed) and should be ordered separately. The exhibitor can order the requisite connections himself. Alternatively, Meplan would be pleased to prepare the relevant service forms ready for signing at no cost and send them to the exhibitor. The exhibitor must then fax the signed service forms to the Technical Exhibition Service Division or send them by post. We also recommend that you order stand cleaning and security services.

Please provide to us the appropriate forms for the following services:

Main electricity connection

Water connection

Stand cleaning service

Stand security service

These services will be invoiced directly to the exhibitor by Messe München GmbH at the prices shown on the order forms.

We would ask you to enclose **Service Form 2.25 with a hand-drawn sketch of the stand layout** and details of your precise requirements to ensure the prompt processing of your orders. See Service Form 2.19 for details of our Terms and Conditions of Business.

The agreed contract is concluded between the customer and Messe München GmbH, Messengelände, 81823 München, Germany. Meplan GmbH, acting as representative of Messe München GmbH, is the contact for the customer in respect of all matters relevant to the given contractual relationship.
